Dr. Theodore Agnew
Will Rogers Research Center
Oklahoma State University
Stillwater, Oklahoma 74074

Dear Dr. Agnew:

Confirming my conversation with you concerning your letter of January 30, making a request for financial aid for the Will Rogers Papers Project, this material shall be filed for consideration at our next board meeting.

Since we do not have regularly scheduled meetings, I am sorry not to be able to give you any indication as to when that will be.

You may rest assured it will be presented and carefully studied.

Sincerely,

KD:nmm
