

THE WHITE HOUSE
WASHINGTON

April 24, 1934

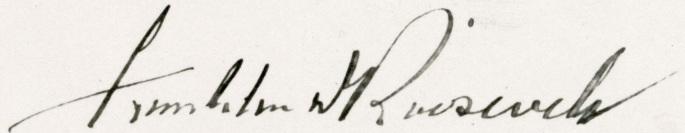

Dear Amon:

Will you transmit to the Directors of the Southwestern Exposition and Fat Stock Show my very sincere appreciation for the choice cuts of beef conveyed through you.

Judging from the quality of meat from this prize steer, it certainly must be a long cry from the Longhorns of the earlier days to the beef cattle Texas is raising now.

Thanks very much for your thoughtfulness.

Very sincerely yours,

Amon G. Carter, Esq.,
Fort Worth Star-Telegram,
Fort Worth,
Texas.
