

June 9, 1936.

Mr. Jack H. Hott, Manager,
Chamber of Commerce,
Fort Worth, Texas.

Dear Jack:

The Police Department in handling the crowd Friday will need a good many feet of rope which will be up to the Chamber of Commerce to furnish.

I would suggest that you get in touch with Capt. Dysart of the Police Department, who will have charge of handling the crowd. I presume you could arrange with some hardware store to use this rope and turn it back to them with some reasonable charge. Anyway, we must have the rope irrespective of what it costs. I understand they used 40,000 feet of rope in Dallas and you might get in touch with them and make arrangements to get it. So, please take care of the matter some way.

Sincerely,

AGC, KD
