Mr. R. W. Morrison,  
St. Anthony Hotel,  
San Antonio, Texas.

Dear R. W.:

This will introduce to you Mr. Hugh Scarborough, one of my good friends, who is going to San Antonio to join the Presidential train and look after the baggage for me.

Any courtesy extended him will be personally appreciate.

I am having a party at Shady Oak Farm Friday night for Marvin McIntyre and Steve Early and the crowd on the train. If there is any way you can come up and join us, I would be tickled to have you.

Sincerely,

AGC.KD
