

June 10, 1936.

Mr. Byron Utecht,
Presidential Special Train.

Dear Byrons

Get a hold of Bascom Timmons and both
of you help Mr. Hugh Scarborough every way you can
to look after the baggage.

Please wire me the names of State newspaper-
men on the train which you think I should invite to
the party at Shady Oak Farm. You, of course, are
included. Mr. Scarborough can show you the list that
have been invited on the Presidential train from
Washington.

Thanks and best wishes,

Sincerely,
