Hon. Marvin H. McIntyre,
Asst. Secy. to President Roosevelt,
Presidential Special Train.

Dear Marvin:

Mesdames Mary Louise Phillips, Raymond
Buck, Morris Berney and Emon Carter have arranged,
subject to their approval, to look after Misses LeHand,
Tully, Barrows and Mrs. Scheider on their arrival at
the Fort Worth Club after the program is over and
should like to take them out to the Country Club
or to Mrs. Berney's home for an informal dinner on
the lawn. They can have a swim or do anything they
like. The entire occasion will be informal.

All these ladies are trying to do is to
make our lady guests feel comfortable and happy while
they are here. These Fort Worth ladies will look
them up at the Fort Worth Club following the program
after they have returned.

Sincerely,

AGC.KD
