

ROOSEVELT REBUKES GOV. CHANDLER

ROOSEVELT HEADS FOR OKLAHOMA SPEECH

ABOARD PRESIDENT ROOSEVELT'S TRAIN EN ROUTE TO OKLAHOMA CITY, July 9 (A).—President Roosevelt, anxious to keep his friends in the Senate, advanced Saturday toward Oklahoma's political battleground.

The day's engagements took him into the Democratic senatorial primary fight involving Senator Elmer Thomas, Governor E. W. Marland and Representative Gomer Smith. The President was expected to give the edge in his Oklahoma appearances to Thomas, a loyal Administration supporter.

During stumping across Ohio and Kentucky Friday Roosevelt gave a verbal push to the candidacies for renomination of Senators Robert J. Bulkley of Ohio and Alben W. Barkley of Kentucky. The Chief Executive was especially emphatic about Barkley, the Senate majority leader, contending in four talks that present day problems demand the understanding of national minded lawmakers of the Barkley type.

The President's Oklahoma schedule called for platform appearances at McAlester and Shawnee and a speech tonight at Oklahoma City's state fairgrounds.

Two of the Oklahoma senatorial candidates—Thomas and Marland—wired White House secretaries as the 10-car presidential special rolled through Tennessee that they would ride the train through part of their State.

Senator Josh Lee and three Oklahoma Representatives, Lyle H. Boren, Wilburn Cartwright and Will Rogers, also arranged to join the presidential entourage. Governor Lloyd C. Stark of Missouri also was expected to board the special. Elliott Roosevelt planned to come aboard before his father reached Fort Worth.

From the rear platform of his train at Booneville, Ark., Roosevelt Saturday said he had been talking during the morning to "a very old friend of mine and a friend of yours, Senator Caraway."

Senator Hattie W. Caraway, seeking renomination at the Aug. 9 Democratic primary, introduced the

President to the crowd of approximately 3,500.

The Roosevelt train stopped at Little Rock to allow Senators Caraway and John E. Miller to board it.

The manner in which the President would promote the candidacy of Thomas remained in doubt up until speaking time.

In Ohio, Roosevelt twice praised Bulkley. In Kentucky, he called both Barkley and Governor A. B. Chandler, the candidates for the senatorial nomination, his friends.

"Not Interfering."

The President added he was not interfering "in any shape, manner or form" in the Kentucky primary but he suggested at the same time that Barkley's shoes in the Senate would be hard to fill.

At Covington's Latonia race track Roosevelt declared that Governor Chandler would make a good Senator from Kentucky—"but I think my good friend the Governor would be the first to acknowledge that as a very junior member of the Senate, it would take him many, many years to match the national knowledge, the experience and the acknowledged leadership in the affairs of the Nation of that son of Kentucky, of whom the whole Nation is proud, Alben Barkley."

The crowd packed into the grandstand at the homestretch roared. Another, smaller crowd that gathered around the President's rear train platform at Worthville, Ky., a short while later cheered when Barkley advised them the President would appear there, too.

OKLAHOMA CAMPAIGN REACHES CLIMAX TODAY.

OKLAHOMA CITY, July 9 (AP).—Oklahoma's bitterly-fought senatorial campaign reaches its climax Saturday with President Roosevelt expected to bestow his blessing on Senator Elmer Thomas.

Governor E. W. Marland, New Deal supporter opposing Thomas for the senatorial nomination in Tuesday's primary, conceded the Roosevelt bouquets to his rival.

"I'll sit there and I'll hear the President tell the multitude what a great Governor I've been and why Senator Thomas should be returned to the Senate," Marland said. "I have no doubt as to what he will say."

The Thomas group was jubilant about Roosevelt's indorsements in Kentucky and Ohio.

Marland declared the campaign was "no longer a question of personalities or individual qualifications. The burning issue is President Roosevelt. It's a question of whether Oklahoma wants to surrender its constitutional right to select its own Senator."

Representative Gomer Smith, a third senatorial candidate, has said little about the President's visit.

Mayor Frank Martin estimated 150,000 would hear the President's address and 100,000 more would mass along the route of his parade from the train.

BARKLEY AND CHANDLER BOTH PREDICT VICTORY.

LOUISVILLE, Ky., July 9 (AP).—Senator Alben Barkley and Governor A. B. Chandler, opposing forces for the Democratic senatorial nomination in Kentucky's Aug. 6 primary, are predicting victory after President Roosevelt's visit in the interest of the New Deal.

Both resumed their heated stump speaking campaigns Saturday.

The President, at Covington in his major address in the State Friday, gave his indorsement to Barkley with Chandler commenting: "He didn't say anything he already had not said."

The Governor added that Roosevelt's political blessing of Barkley hadn't scored a "knockout" over him.

"Any time the President can't knock you out," said Chandler, "you are all right."

Time and again Chandler remarked: "We're in, we're in."

At Covington Senator Barkley said that he was writing a speech to be made Aug. 7 thanking the people of Kentucky for his renomination.

BULKLEY DOESN'T CONSIDER SPEECH AN INDORSEMENT.

COLUMBUS, Ohio, July 9 (AP).—

Senator Robert J. Bulkley said Saturday he did not consider friendly remarks directed toward him by President Roosevelt a "public indorsement," but George White, opponent of Bulkley in the Democratic senatorial primary, commented that they "didn't do any harm."

The President mentioned "Bob Bulkley," a staunch New Dealer, twice during an address at Marietta Friday during the dedication of a memorial commemorating the founding of the Northwest Territory.

While politicians studied the possible effect of what they construed to be a "helping hand," Bulkley

said "they were words of friendship and commendation for public service."

The President, who struck blows in Ohio for Senator Bulkley and in Kentucky for Senator Barkley, is not expected to mention publicly Texas politics.

His visit here will be with members of the family of his son, Elliott Roosevelt.

SUNFLOWER POOR CHOICE, SAYS ROOSEVELT.

BOWLING GREEN, Ky., July 9.—The suggestion that poor choice of a party emblem may have had something to do with the Republican party's defeat in 1936 was advanced today by President Roosevelt.

A basket of roses was handed the President when he made a rear platform appearance here last night.

"I thank you for these roses," Roosevelt told the cheering crowd.

"In campaigning for re-election in 1936 for the second time I recall that the sunflower was the Republican emblem. That was a great mistake.

"Roses bloom all through the year—but nobody ever heard of a sunflow blooming in the first week in November."

and Connally, not facing re-election in the Democratic primaries, will be on the President's nine-car special train. Governor Allred will be here to meet the party. Congressman Lanham, a candidate for re-nomination, is a member of the official welcoming committee.

There will be only one opportunity for the public to see the

BUS ROBBER IS POLICE QUARRY

Police Saturday sought a bushy-haired man who late Friday night held up and robbed Hosea Preslar, bus operator for the Fort Worth Transit Company, of \$10 after forcing him to drive over Rosen Heights for 15 minutes.

Also sought are two youths who Friday night grabbed the purse of Mrs. Daisy Persons, 444 Burnet Street, as she walked in the 400 block of West Fourth Street. Mrs. Persons said the bag contained \$3.50.

Mrs. Lewis Mitchell, 814 Florence Street, reported a man grabbed her from behind as she walked near her home. He fled when she screamed.

Two negro prowler suspects, arrested Friday, are being questioned by detectives. One was captured at Park and Clinton Avenues by Park Officer C. V. Smith after being chased from a North Main Street jewelry store.

SCHUSCHNIGG DISCIPLES FREED BUT REARRESTED

KITZBUEHEL, Germany, July 9 (A).—Several followers of Kurt Schuschnigg, former Austrian chancellor, were released from jail Saturday, rearrested a few minutes later and sent to a concentration camp.

The prisoners, who had been held since March, made the mistake of celebrating their release with their wives in the prison courtyard and making derogatory remarks about the Nazi regime.

MAN ROBBED OF \$6 AND 6 POLL TAX RECEIPTS

SAN ANTONIO, July 9 (A).—J. F. Ramon reported to police Saturday the loss of six poll tax receipts and \$6 in cash.

President and only one to hear him.

He will drive slowly from the ranch home of the Elliott Roosevelts at Benbrook to the T. & P. station at 9:30 a. m. Monday. His route will be on Camp Bowie Boulevard and West Seventh Street to Throckmorton Street and thence to the station.

President Roosevelt will speak for 15 minutes over Radio Station KFJZ starting at 7:15 p. m. Sunday, and the broadcast will be picked up by approximately 30 other Texas radio stations, including WBAP, KGKO and KTAT in Fort Worth.

Elliott Roosevelt, who will introduce his father, will be on the air from 7 p. m. to 7:15 p. m. in a regular Sunday night discussion.

Subject of Address Given.

Although the younger Roosevelt announced his subject last Sunday night, it seemed timed with the President's visit. It will be a discussion of two schools of thought in government—liberalism and conservatism.

The broadcasts will be from the Dutch Branch home.

There will be a small gathering of intimate friends of the family at the Roosevelt home Sunday afternoon. The list of the few guests was not disclosed.

Arrangements for the President's visit have been outlined in detail.

The parking space between the north end of the Santa Fe passenger station and the freight house will be roped off. Only one car will be in the area, and it will be the seven-passenger open car offered for the President's use by Tom Potter of Kilgore.

President Roosevelt will have no farther than five feet to step from his car in the train to the automobile door.

Secret Service Detail.

A Secret Service detail will use the other seven-passenger automobile volunteered for the visit. It is owned by Roy G. Watson of Houston.

The route of the trip to Benbrook will be heavily guarded, and it will not be disclosed to the public.

Amon Carter will be chairman and spokesman of the welcoming committee. Other members, besides Congressman Lanham, will be Mayor Drechsel, President Gaylord Stone and directors of the Chamber of Commerce.

Elliott Roosevelt was to join the presidential party in Oklahoma Saturday. He left Fort Worth by airplane Friday.

Several Santa Fe officials and a detail of railway special agents left here Saturday morning for Oklahoma City to meet the train.

In the group were A. C. Ater, Santa Fe general passenger agent of Galveston; E. E. Taylor, general superintendent of the North Texas division of the railroad, and J. M. Rooney, Galveston, chief special agent.

Special Railroad Agents.

The Fort Worth and Denver City Railway reported that Gen. John A. Hulen, vice president, and C. D. Peckenpaugh, general manager, will go with the party from Fort Worth to Amarillo Monday. There will be several Fort Worth and Denver special agents in the group.

Advance arrangements for the presidential visit were made here by Forrest V. Sorrels, Secret Service Agent.

The city police department, the sheriff's office and the State Highway Patrol will provide 100 men to guard the Chief Executive here. A National Guard detail will establish communication from the gates of Dutch Branch to the house.

Jaycees Will Entertain.

The Junior Chamber of Commerce will aid in entertaining the approximately 25 newspapermen and their wives and others of the presidential party. The Jaycee committee, composed of Clyde Weed, chairman; Charlie Hillard, Frank Edelbrock, Carlos Holcomb and Dave Leavell, will have automobiles at the disposal of the newspapermen, with or without drivers. Their entertainment here will include a luncheon, golfing, swimming, tennis and sight-seeing.

The Chamber of Commerce Saturday arranged for three types of official badges. One will designate official cars for members of the party, one will identify members of the welcoming committee and the other will indicate courtesy car drivers.

Ben Turpin, president of the Building Owners and Managers Association, said he is requesting members to fly flags from their buildings during the President's stay.

The Chamber of Commerce was informed that 68 persons are in the Chief Executive's party exclusive of Secret Service agents. There will be available 23 automobiles to take them to hotels.

The courtesy cars will be in a second roped off area at the station.

Big Crowd Hears Roosevelt at Ohio Unveiling Ceremony
