Dear Amon:

Enclosed is a picture taken of the President while he was speaking in Amarillo. It is not so very good but I thought you might like it to add to your collection. If you want an enlarged copy let me know and I will be glad to send it to you.

I am very sorry that we did not make connections so that you could be with us for our dinner after the President's program, but it was due to my negligence in not informing you as to the time and place.

Sincerely yours,

Lawrence R. Hagy
