Mr. Lawrence R. Hagy,  
Amarillo Building,  
Amarillo, Texas.

Dear Mr. Hagy:

Your letter of July 20th enclosing a picture taken of the President while he was speaking in Amarillo has been received during Mr. Carter's absence from the office and shall be brought to his attention when he returns.

In his absence permit the writer to say that I feel confident he would like two of these pictures enlarged to about 8 X 10, if possible, to place in his childrens' scrapbooks. Naturally, he would be glad to refund any expense in connection with this request.

Thanking you for your thoughtfulness in sending the picture, I am

Yours very truly,

Secy. to Mr. Carter.
