32 East Sixty fourth street

New York N. Y.

Dear Billy Check this worry off your mind stop Fort Worth will  
sell remainder of its bond issue by end of the week stop Campaign  
was launched at luncheon today to which fifty accepted fifty  
four came and fifty thousand in volunatry increases and  
subscriptions was recorded before adjournment stop It was the  
most representative group of business leaders we have seen in  
years and every one voiced his enthusiasm for the Centennial  
pledged himself to work and to let nothing interfere with its  
opening July one stop We believe you can no<sup>wt</sup> proceed with closing  
details as to your shows, can safely and conscientiously assure  
concessionaires and others that it will open on time and as  
planned and that they ~~to~~<sup>to</sup> can dismiss any doubts as to either  
they may have had stop While you are about you can take a worry  
off our minds if you can close for safe concession as we believe  
we would find ourselves in serious difficulty if confronted at  
last minute with necessity of equipping and operating it  
ourselves stop You have a great show planned stop We are  
confident it will be a big success and this wire is merely to  
inform you what has been done and to assure you we shall do  
our part while you are doing yours stop Our best regards to  
Mrs. Rose and yourself

A mon G. Carter
