Mr. Billy Rose,
c/o Aquacade,
New York World's Fair,
New York City, N. Y.

Dear Billy:

On my return from West Texas I find your letter of August 20th, enclosing photographs showing Fort Worth has been included in the show of 48 states and the District of Columbia. This is damn nice of you. The pictures were passed on to Jimmy North and the story appeared in the paper, for which please accept our thanks.

I will probably be in New York next week and hope to have a chance to see you.

Sincerely,

AGC.F
