My dear Miss Deakins,

Your letter of January 14 to Mr. Rose
has been received in his absence from the city.

The writer personally placed the
order for the flowers sent to Mr. Carter thru
Mrs. Rose's florist here and quite naturally
I am asking them to investigate its execution
at your end.

I want to thank you so much for
writing as you did. You may be sure it will
avoid a recurrence of such an unpleasant
incident in the future.

Very truly yours,

Irene Minabella
Secretary to Mr. Rose
