

Mr. Carter; I see no harm in the dialogue attributed to you, even though it is inaccurate. To recounte, factually, how Billy came to be selected for the Fort Worth show would take up the time for the entire broadcast-not merely the few moments assigned to you.Unless you object to the impersonation,~~is~~~~xxx~~ I'd suggest letting the story part go.It's a good story and facts might spoil it.

Mr. Carter: While the dialogue assigned to you in this
~~XXXXXX~~ doesn't resemble fact even slightly, there is no harm
in it
