Dear Mr. Rose:

When Mr. Carter discovered you had not signed his Guest Register in 10-G, he was quite provoked with all of us for not having called it to your attention. So, enclosed is a blank page from the register and I wonder if you would mind signing it and dating it as of your visit here, as the last time you were in 10-G was in 1936.

Quite often some of Mr. Carter's friends make some comment on the register, so if you will do this and return it without folding it, I will show it to Mr. Carter and place it in the book and everyone will be happy.

It was nice of you to visit here and we enjoyed seeing you.

With best wishes,

Sincerely,

Secretary to A. G. Carter
