

CIVIL AERONAUTICS BOARD  
WASHINGTON

June 25, 1943

Mr. Amon G. Carter  
Fort Worth, Texas

Dear Mr. Carter:

Let me thank you for the photographs which I received upon my return from Mexico City. I shall add them to my collection as a memento of a most satisfactory visit to Fort Worth.

I wore the Texas hat throughout my visit in Mexico. One of the Mexico City papers published my picture — hat and all, over the following line: "Covering his head with a broad sombrero of a type of the North American Westerner yesterday Mr. Oswald Ryan, Member of the Civil Aeronautics Board of the United States arrived, having made his trip to our capital aboard one of the regular airplanes of American Airlines of Mexico, running from New York and Washington."

I want to thank you also for the sample of the Kentucky blue-grass region with which I entertained some of our friends in Mexico City. Your hospitality was "tops."

Wont you give me a ring the next time you are in Washington?

Very sincerely,

A handwritten signature in cursive script, reading "Oswald Ryan", is written in black ink.

P.S. I hope you are continuing to get cheerful letters from your son and that the day is not distant when he will be back in the fold.
