Honorable Oswald Ryan
Chairman of the Board
Civil Aeronautics Board
Washington, D.C.

Sid Richardson and I are delighted to join your many friends throughout the aviation industry in congratulating you as well as the Government in your recent appointment as Chairman of the Board PERIOD With your long period of activity in the Department and familiarity with the problems confronting the aviation public we are confident you will be able to do a fine job. Aviation has a great future and great responsibilities. No one in my estimation is better qualified to help outline its itinerary and successful operation period Sorry I was unable to see you during your visit for ,the formal opening of the Greater Fort Worth International Airport. I am anxious to get out of the hospital and have a chance to look it over myself since it is in action. Incidentally there were more than one hundred thousand people at the airport on Sunday most of whom waited until Sunday to avoid the crowd ~~XXXXXXXXXXXX~~ Saturday and ran into a jammed house PERIOD From all reports everything is clicking 100%. Both the tenants and the personnel are delightfully happy. Sincerely

Amon Carter, President
Fort Worth Air Terminal, Inc.
