1601 South Shepherd, No. 23  
Houston, Texas 77019

Dec 10/73

Dear Mrs. Drakins: Please pardon  
me for any delay in answer-  
ing your letter. Eighty-five  
years do not encourage prompt  
action, I believe.

My address  
is still the same as that of  
the last eight years; #1601  
So. Shepherd St, Apt 23. I still  
live alone in this apartment  
and have passed the 85. age  
mark. I swim every day and  
have excellent health.

Please give  
my deepest regards to  
Mr Carter Jr. I shall never  
forget how in a minor way  
I helped in locating him when  
he had disappeared in the  
midst of war. His father was  
my real friend to whom I  
shall never forget. And his  
son greatly resembles him.  
Very Sincerely,  
Oswald Ryan
