Mr. Amon G. Carter
Chairman of the Board and Publisher
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

We had a smooth and uneventful trip home in our plane and made a non-stop trip from Fort Worth to New York in seven hours, during which time I recalled the pleasures of our visit with you.

I should like you to know how deeply I appreciate all the courtesies extended to me, my son, and my other associates during our short but memorable visit with you in Fort Worth. I am especially grateful to you personally because I know that you gave unselfishly of your energies at a time when your doctor advised you to rest.

From the moment we arrived in Fort Worth until we left your city all of us not only felt very much at home but enjoyed every minute of the stay. The opening of your Color TV Station was, in my opinion, and that of my associates, a huge success and all of us wish you continued success. You have a fine staff and a fine organization and that is the best tribute that can be paid to any head of a successful and enterprising organization.

Your gift of a Texas hat and your mementoes were admired and appreciated by Mrs. Sarnoff and the folks at home and I send you their best thanks in addition to my own.

Mr. Amon G. Carter
