Dear Mr. Carter:

Bill McGill told me of his conversation with you relative to the Texas Health Council. I had already agreed to serve as honorary chairman of the Advisory Committee, just I have served in a similar capacity for many other similar committees. I have a strict understanding that my position is purely nominal and that nothing will be sent out over my name.

I appreciate your interest and your feelings in the matter and just hope that it will work out all right.

With kindest personal regards, I am

Sincerely yours,
