Mr. Amon G. Carter

Fort Worth, Texas

My dear Mr. Carter:

Once again the Shivers family is grateful to you for your thoughtfulness at Christmas-time. The grapefruit and the pecans seem to be unusually good this year, and we have all enjoyed them. We are truly happy that you remembered us during the Holiday Season, but we appreciate more your continued friendship throughout the years.

Mrs. Shivers and the children join me in wishing that 1955 will be exceptionally good to you and yours.

Sincerely,

ALLAN SHIVERS
