Mr. and Mrs. Amon Carter
1220 Broad Street
Fort Worth, Texas

Dear Mr. and Mrs. Carter:

Again I want to tell you how very much Marialice, the children and I enjoyed the Rodeo, and how much we appreciate the dinner with you before the show.

I thought the show was one of the finest you have ever had, and I am glad to see that it is breaking all records in attendance. We are always delighted to visit in Fort Worth and attend the Stock Show, but we thought this one was especially good, and the children were thrilled that they could attend.

With warmest regards and every good wish.

Sincerely,

A handwritten signature in cursive script that reads "Allan Shivers".
