Honorable Allan Shivers
Governor of Texas
State Capitol
Austin, Texas

Dear Governor:

Mrs. Elizabeth S. Bray was in to see me this morning and mentioned that she was going to try and see you Monday in Austin. Anything you could do to help her will certainly be appreciated.

One of the last things my father said was that he wanted her to bring him this letter from Dr. Charles H. deT. Shivers of Atlantic City so that he could write a note on it to you.

Mrs. Bray nursed my father during his last illness and was at his bedside until the end.

Thanking you and with best wishes, I am

Sincerely,

P r e s i d e n t .
