Mr. Amon G. Carter, President  
Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Amon:

It is nice to have a letter from you on any subject although I received a very close and personal view on you and the state of your health from La Motte Coahu, upon his return from the Texas trip.

I will be glad to go along with you in a modest way on your plan to present Messrs. Trippe and Whitney with a remembrance of our trip. It should be considered, however, that Eddie and I are in a somewhat different category than the rest as we have devoted eight years of time, a substantial amount of our own personal funds, and funds which we have brought in from others, in helping Juan and Sonny to develop the picture which they have so ably created.

The next time you are in New York, let me know or give me a ring as I would greatly like to see you.

Kind regards.

Sincerely,

*Graham B. Grosvenor*
