

RITZ-CARLTON HOTEL

NEW YORK

Dear Annon:

I hope that you will excuse me for leaving but I had to catch a train. I know that, as a director of Pan American Airways, Tuan would not want me to say anything. And I think in that respect, I have always been a good director.

It was a very pleasant evening. And after listening to the Senator from California I believe

I am for the first time in  
sympathy with the "sit down".  
But I did regret leaving early as  
I was anxious to hear others pay  
their respects to Juan & his  
organization; — not only for their  
achievements in Pan American but  
also because they had accomplish-  
ed what I thought was impossible  
— to get you mind off of  
Fort Worth. Thank you  
anon.

yours sincerely,  
Robert Johnson
