

April 20

NINE HUNDRED AND THIRTY
PARK AVENUE

Dear Amos —

just a line to
thank you for the
beautiful orchids you

were so thoughtful to
send the light of
the party.

Jean and I were
both so pleased and
touched by all the
thought and detail
you put into that
evening and it
certainly was a great
success. The globe

will be one of our
prize possessions and
it was a marvelous thing
for you all to have
done. Hoping to see you
soon. Sincerely Betty Lippe
