Gentlemen:

Enclosed, herewith, you will find a statement of expenditures made and paid by the writer in connection with the complimentary dinner honoring Jaun Trippe and Sonny Whitney at the Ritz Carlton Hotel, New York, April 23rd.

This may strike you as a little excessive, but, as a matter of fact, it does not cover all the expense I paid in connection with the entire matter. Of course, I had no idea, at the time we started in to buy the globes, that they would be quite so expensive; however, I think they were worth the money and I hope that the allotment indicated herein is satisfactory to all concerned:

Roy Howard	\$600.00
Paul Patterson	600.00
A. G. Carter	600.00
Wm. G. McAdoo	250.00
J. G. Stahlman	250.00
E. M. Swasey	250.00

As you know, there were a number of people we could not consistently call on to contribute towards the dinner. Mr. Tom Beck was invited, but had some imaginery grievance and did not put in his appearance, so I have eliminated him from the list.

him from the list.

For fear you misplaced your personal program, I am sending a couple more for your files. Also, enclosed you will find pictures made of the banquet, as well as pictures of the two globes presented to Jaun Trippe and Sonny Whitney.

If the allotments are not satisfactory, let me know and I will be glad to adjust it any consistent way possible.

With best wishes, I remain,

Sincerely,

AGC.KD
