Mr. Amon G. Carter,
Ft. Worth Star-Telegram,

My dear Amon:

I am enclosing herewith check covering my pro rata in the Pan American affair. I think you have made it rather steep on yourself, Roy and one or two others, and if you want to make any revision, it will be okeh with me.

I saw Ed last week and am looking forward to having you back in Nashville at the first opportunity. Remember me to Amon, Jr., and let me know when you are coming this way again.

With all good wishes and kindest personal regards, I am

Sincerely yours,

James G. Stahlman.
