Dear Amon:

Absence from the office has delayed my giving attention to your letter of the 3d advising me of the assessment for the Pan American party. I enclose my check for the \$600.00 as indicated.

Just between you and me, I think your division is haywire -- but I don't see how anything can be done about that since the beneficiaries of our bounty have been advised of their good luck.

When did Senator McAdoo get that way? I didn't know he had qualified for the dole - or as a C - H - P worker.

Anyway, I think Tom Beck ought to be given an opportunity to contribute toward the cost of the globes. He might think it was adding insult to injury if you didn't let him do his share! Why not bill him for one-seventh of the cost of the globes and send the bill to Roy to collect if you don't want to do it?

With kindest regards,

Sincerely,

Amon Carter, Esq.
