

RAYMOND E. BUCK

COMMERCIAL STANDARD BUILDING

FORT WORTH, TEXAS

Jan. 16, 1946

Dear Amon:

It was a privilege to read a copy of your telegram of the 24th, ultimo, to President Truman. It is a forceful argument against a basic wrong which, if permitted to occur, will ultimately lead this Nation into a situation which is far from the concepts of its founders. Thanks for letting me read it.

Sincerely,

Raymond E. Buck
