OLIN CULBERSON  
CHAIRMAN

Mr. Amon G. Carter  
Fort Worth-Star-Telegram  
Fort Worth, Texas

Dear Mr. Carter:

May I not express my complete endorsement and agreement with the telegram which you sent President Truman, copy of which you so kindly furnished me.

Particularly do I think the last paragraph of page 1 is the basis upon which the wage feature of this controversy should be approached.

Also, I particularly like the language in the next to the last paragraph on page 3 because it showed the real understanding from experience of the proper approach to this question.

May I not again thank you for having thought of me in this connection.

Very sincerely,

Olin Culberson
