Dear Mr. Carter,

It is my understanding that when a fellow is coming to Cow Town and really needs a pardner that you are just the one people naturally turn to.

In the way of introduction, I am Lamoyne Truman, 1533 Herring Ave., Waco, Texas and another one of Margaret's cousins. (You can check with Mr. Leo Williams, Secret Service) At Mother Truman's funeral I promised Margaret that I would meet her in Ft. Worth. This I intend to do, but if my parents and I are to hear Margaret sing it will have to be by a neighborly act on your part.

I have been unable to obtain tickets for the concert. Therefore, if it is at all possible, will you please get three tickets for me. I particularly want my parents Ed. and Mrs. T. E. Truman, to hear Margaret's concert. Thanks--

Sincerely,

Lamoyne Truman
