Mr. Amon Carter
FORT WORTH STAR TELEGRAM
Fort Worth, Texas

Dear Mr. Carter:

Concerning our telephone conversation of last night, I have just come from a meeting of the Publications Council to discuss the possibilities of contacting Miss Truman after she arrives in Fort Worth.

The council feels that the time may be too limited after contacting her Sunday for us to get our "beauties" together and get them to Fort Worth. They are perfectly right, as we want whatever we do to be done well, and the time would be too short to have a polished presentation.

I want to thank you, however, for your interest in even listening to my proposition over the telephone and for your counsel.

Sincerely yours,

Dude McCloud
