Dear Mr. Carter: .

I should like to take this means of expressing to you the appreciation of the high school girls and three staff members of the Masonic Home and School of Texas for the tickets to the Margaret Truman concert you so generously donated to our Home last Monday.

Our girls and our staff members enjoyed the concert very much. We are particularly grateful to you for this donation since it came to us unsolicited. We sincerely appreciate your interest in our children.

Very truly yours

Harvey S. Williams
Superintendent
