

Raymond Buck

Commercial Standard Building

City

Dear Buck:

I have just received thr following telegram from Sam Rayburn:

quote On the President's visit to Fort Worth I would appreciate it if you would make arrangements for his care and entertainment while he is there. I trust you will appoint committee or committees that you may desire to carry out a proper program end quote

Inasmuch as I had previously made an ~~important~~ appointment in New York for September 22 and it is necessary that I be there, I shall appreciate it greatly if you will take over this important assignment and see to it that ~~the President and his official~~ party ~~are~~ are made proper and appropriate arrangements for the reception of the President and his official party. It is my intention to return to Fort Worth by plane, weather permitting, Sunday or Monday morning. Amon Carter
