

The House Across the Bridge

Dear Mr. & Mrs. Carter,
The President's
visit in Ft. Worth was
most ably taken care of -
we thank both of you
very much —

The orchid corsages
were beautiful — and
certainly a gracious,
generous reception —
All of us enjoyed them
immensely — and they
created quite an at-
mosphere of beauty
for the party the re-
mainder of the evening.

You can rest
assured everything will
be well managed that
Mr. Carter is directing.
and I see that he
has a very attractive

and thoughtful assistant -
Thanks again —

Sincerely yours,
Genevieve Bourman Morson,
(Mrs. Wright Morson)
