Dear Amon:

Here is a statement from Thos. S. Byrne, Inc. covering labor charges for erecting and dismantling President Truman's Speakers Stand. Also one from Albert C. White Service for decorating same.

It is good to have you as my banker on this, but I do not know who you could pass it to. Please note that Tom Byrne charged no fee and no material -- only labor paid out. The White concern is supposed to be the one which handles the decoration for the Stock Show - that is why I used them, and I am a little shocked at their bill. Actually they furnished nothing but service because they removed and retained all the decoration material.

Thanks Amon for handling these. If you want any service from me, just holler.

Sincerely,

Raymond
