Fort Worth, Texas

My dear Mr. Carter:

It was mighty good of you to wire President Truman commending his appointment of my brother, Tom, as Associate Justice of the Supreme Court, and also wiring your congratulations to Tom. I know that Tom deeply appreciates your sincere interest and thoughtfulness, just as I do. It was kind of you to send me copies of your telegrams.

With renewed assurances of my genuine gratitude for your kindness and friendship, and with best wishes and highest personal regards, I am,

Sincerely your friend,

Robert L. Clark
