Fort Worth, Texas

Dear Mr. Carter:

Your letter of July 27th has just been received enclosing a copy of your telegram of the same date to President Truman, and I appreciate and respect very much the views you have expressed.

As you know, in the next few days the Congress faces these issues, and I am greatly concerned with the decision we make. Certainly we should face the cold facts with common sense and realism, and to do so I feel very much as you do.

With kindest regards, I remain

Sincerely yours,

Omar Burleson
