COMMITTEE ON APPROPRIATIONS

EVERARD H. SMITH, CLERK  
CECIL H. TOLBERT, ASST. CLERK

August 1, 1950

Honorable Amon G. Carter  
Fort Worth, Texas

Dear Mr. Carter:

Permit me to sincerely thank you for your letter of July 27 and the accompanying copy of your telegram to the President.

I share your concern over present conditions, and although I hate to be pessimistic, I can only see dark days ahead for a long time to come. I agree with you that the quicker we can mobilize our resources and stabilize prices, wages, and all else, the better off we will be. The principles involved in the Baruch Plan have been incorporated in legislation now pending in the Congress, and you may be assured that it will have my earnest study and attention.

I am With personal regards and all good wishes,

Sincerely,
