Congress of the United States
House of Representatives
Washington, D. C.

2 August 1950

Mr. Amon G. Carter,
President, Fort Worth Star-Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

I very much appreciate your letter of July 27th. It is valuable for me to have your views before me as we study the subject of price controls today. It now appears that the various plans which have been proposed will be brought into reasonable accord and that the President will be given the full stand-by authority which you recommend.

With kindest regards,

Sincerely yours,

Clark W. Thompson.
