Dear Mr. Carter:

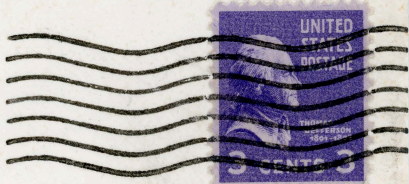

Thank you so much for sending me a copy of your paper which included a picture of mother and me and the story of my arrival from Europe. You were certainly thoughtful to do this, and I am glad to have these items for my scrapbook.

Needless to say, I had a wonderful trip, and after about ten days in Missouri, I am now trying to catch up on all the mail that piled up during my absence.

My very best to you and Mrs. Carter and Amon, Jr. I hope it won't be too long until I see all of you again.

Most sincerely,

A handwritten signature in black ink, appearing to read "Margaret". The signature is fluid and cursive, with a long horizontal line extending to the right from the top of the name.
