Dear Mr. Lentz:

Your letter of February 10, inviting Mr. Carter to a luncheon honoring General Vandenberg on Monday, February 21, has been received during his absence from the city.

Mr. Carter is expected to return by that time, in which event I feel certain that he will be glad to accept your cordial invitation. However, may we hold the matter in abeyance until something definite is known about his return?

Yours very truly,

Secretary to A. G. Carter
