

Dear Mr ^{and} Mrs Carter,

What a happy
time we had with you!
You were certainly
kind to someone who
came along so un-
expectedly and I now
am very glad I did
otherwise I wouldn't
have met you both
or your grand son,
daughter and friends.

Thank you for your
hospitality, the gay good
time, the beautiful hat
and most of all - the
pleasure of meeting you
both.

We got home Tuesday
night around nine -
thirty after a calm
and uneventful trip.

It was so exciting to be
in Texas again. I hope
someday we can spend
lot of time there - It seems
so much like home to
us both.

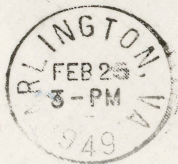

I shudder at the
thought of those "caudids"
I hope the results are
better than usual of
me - but its hard to be

optimistic.

I hope we have the opportunity of having you in our home some day not too far distant.

Many thanks and best wishes

Sincerely
Gladys Vandenberg
