Send the following message, subject to the terms on back hereof, which are hereby agreed to

Fort Worth, Texas
April 5, 1954.

Mrs. Hoyt S. Vandenberg
Washington, D. C.

The death of General Vandenberg is not only a great loss to you and your family but to the nation itself. His direction of air operations in Europe during World War II contributed immensely to our victory. As Chief of Staff of the Air Force he was largely responsible for the development which has occurred since the war, and to him the nation owes a debt of gratitude for increased protection and security.

I consider it a rare privilege to have enjoyed his friendship, and regret that illness prevents my presence for the funeral. Mrs. Carter joins me in extending deepest sympathy to you and members of your family.

Amon G. Carter
