Gen. Jonathan Wainright
Commanding General Eastern Defense Command
Governor's Island, New York.

Texas cannot claim you as a native son but Texas remembers that you began your career in the United States army as an officer of the First Cavalry regiment in Texas and came back with the First ^{Cavalry brigade} at Fort Clark in 1938 ~~##~~ and 1949 before going to your fateful station in ^h the Phillipines. Consequently we ~~#####~~ Texans would like to honor you and Fort Worth ~~#####~~ invites you to be the city's guest at any time that suits you in the near future. ~~#####~~ We are embarking upon our Victory Bond Campaign and your presence here anytime during the campaign would be [^] stimulus to the campaign's speedy success. We trust that you can accept our invitation and suggest Dec. 7 as a suitable date for us if for you. We are enjoying your realistic newspaper story, now appearing in The Star-Telegram and other papers. We regard it as a notable historic document.
