Dear Mr. Carter:

I am inclosing a photograph which was taken on the occasion of the Wainwright ceremonies in Fort Worth last month and which you may have already seen.

I want to congratulate you on the splendid arrangements for "Wainwright Day" and the excellent manner in which the entire program was carried out. I am sure the resulting sales of Victory Bonds must have been very gratifying to you and the other citizens interested in it. It was a pleasure for me to have had some small part in it.

Sincerely yours,

ALFRED G. BROWN
Colonel, Infantry
