8 October 1947

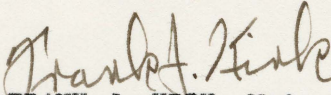

Mr. Amon Carter

Dear Mr. Carter:

General Wainwright requested that I forward to you a copy of his retirement pictures, and they have this date gone forward under separate cover.

Again many thanks for your kind hospitality when I was in Fort Worth with the General early last year, and I hope to have the pleasure of meeting you again in the not too distant future.

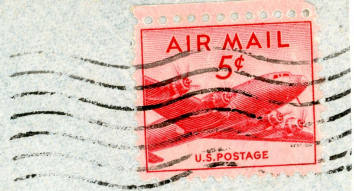

Sincerely yours,

  
FRANK J. KIRK, Major  
Field Artillery.
