In Mr. Carter's absence from the city,  
your autographed copy of "A King's Story" has  
been received.

Although Mr. Carter will acknowledge it  
personally when he returns, may I say in his  
behalf that I am sure he will appreciate your  
generous thought of him and that he will be  
delighted to have an autographed copy of your  
book in his library.

Yours very truly,

Secretary to A. G. Carter
