Dear Mr. Carter:

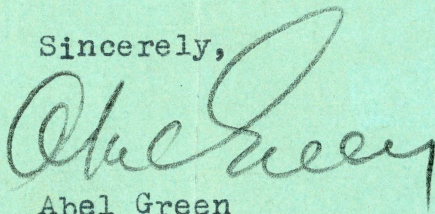

Now that the fever and the excitement of 'The Westerner' is all over, want to tell you how much Mrs. Green and I enjoyed our first --- and we hope it will not be our last -- visit to Texas, particularly your very enterprising city. Among the most pleasurable memories of the trip is our visit to your farm.

Also want to take this occasion to thank you for your thoughtfulness in presenting me with that lovely Amon Carter special Stetson hat. It's a perfect fit and everytime I wear it I'm bound to think of your slogan 'the latch key is always out'.

I know you come to New York regularly, and it will be my pleasure to have lunch or dinner together at such future time.

With warm personal regards,

Sincerely,

Abel Green
