Dear Mr. Carter:

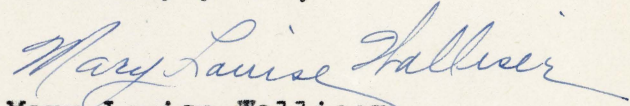

May I take a minute from your busy day to say what a pleasure it was to have been your guest at "Shady Oaks" last Thursday evening during the activities of "The Westerner" premiere?

Your cordial hospitality, excellent dinner and genial arrangement of the event made all of us from outside Fort Worth feel that this premiere was different from the others because it had a personal touch.

Womanlike, of course I am more than pleased by the sparkling little covered-wagon pin, also a note of thoughtfulness I have never found at previous premieres.

Thank you, and those who assisted you, so very much for a truly delightful visit.

Sincerely yours,

Mary Louise Walliser
